## **Proposal Form**

#### **Important Notice**

- 1. This is a proposal for a contract of insurance. You have a legal duty to provide a fair presentation of the risk. Failure to do so may make the contract of insurance voidable or severely prejudice your rights in the event of a claim.
- 2. This proposal must be completed signed and dated. All questions must be answered to enable a quotation to be given but completion does not bind you or insurers to enter in to any contract of insurance. If space is insufficient to answer any questions fully, please attach a signed continuation sheet. You should retain a copy of the completed proposal (and of any other supporting information) for future reference.
- 3. You are recommended to request a specimen copy of the proposed policy wording from your insurance broker and to consider carefully the terms, conditions, limitations and exclusions applicable to the cover.
