

**WHEN LIFE THROWS  
YOU A SURPRISE,  
FACE IT WITH THE  
RIGHT PLAN.**

Sometimes, surprises can be blessings, and sometimes not. Monsoon, for example, is awaited all year long. But there's always an open manhole waiting for someone on the roads. What else do we await all year long? Diwali. Burning a cracker or two is fun for the whole family, after all. But only till a firecracker doesn't misdirect itself. In short, life has a whole lot of surprises, good and bad, but it doesn't mean that we stop living the way we want to.

A photograph of a young man and woman sitting in the front seats of a car. The man is in the driver's seat, wearing a yellow shirt, and is smiling broadly while giving a thumbs-up gesture. The woman is in the passenger seat, wearing a red top, and is also smiling. The car's interior, including the steering wheel and dashboard, is visible. The background shows a blurred outdoor scene with trees and buildings.

HDFC ERGO Individual Personal Accident Plan is designed to take care of the uncertain surprises that life brings, and helps you get your life back on track.
