Coverage for such Outside Directorship shall terminate ninety (90) days after the date of commencement of such Outside Directorship unless the Company accepts in writing such Outside Directorship. Coverage for any additional Outside Directorship that is not a Qualifying Outside Entity is subject to all terms and conditions of this Coverage Section.

Limit of Liability and Deductible

The Company's maximum liability for Loss on account of each Claim, whether covered under one or more Insuring Clauses, shall not exceed the Limit of Liability for each Loss set forth in Item 2(a) of the Schedule to this Coverage Section. Other than with respect to the Dedicated Additional Limit of Liability for Directors and Officers, the Company's maximum liability for Loss on account of all Claims first made during the Policy Period, whether covered under one or more Insuring Clauses,

shall not exceed the Limit of Liability for each Policy Period set forth in Item 2(b) of the Schedule to this Coverage Section.

Notwithstanding the above, the Company's maximum Limit of Liability for all Loss for which a sub-limit is specified in the Schedule to this Coverage Section or any endorsement attached hereto shall be that specified sub-limit of liability. Sub-limits are part of, and not in addition to the Limits of Liability set forth in Items 2(a) and 2(b) of the Schedule to this Coverage Section.

Defence Costs, Legal Representation Expenses and Prosecution and Reputation Protection Costs are part of, and not in addition to, the Limits of Liability set forth in Item 2 of the Schedule to this Coverage Section; the payment by the Company of Defence Costs, Legal Representation Expenses or Prosecution and Reputation Protection Costs erodes such Limits of Liability.

The Company's liability on account of each and every Claim shall apply only to Loss which is allocated to covered Loss and only to that part of Loss so allocated which is in excess of the applicable Deductible Amount set forth in Item 3 of the Schedule to this Coverage Section. Such Deductible Amount shall be depleted only by Loss and shall be borne by the Insured uninsured and at their own risk. Unless otherwise specified, and for the avoidance of doubt, the applicable Deductible Amount applies to the Extensions to this Coverage Section. No Deductible Amount shall apply to any Loss for which an Organisation is prevented by law or due to Financial Impairment from indemnifying an Insured Person.

All Related Claims shall be treated as a single Claim first made on the date the earliest of such Related Claims was first made, or on the date the earliest of such Related Claims is treated as having been made in accordance with this Coverage Section, regardless of whether such date is before or during the Policy Period.

The limit of liability available during the Extended Reporting Period, if exercised, shall be part of, and not in addition to, the Company's maximum aggregate limit of liability for Loss on account of all Claims first made during the immediately preceding Policy Period.

Non-Accumulation of Limits

If any Loss arising from any Claim made against any Insured, in the Insured's capacity as a Director, Officer, trustee, governor, councillor, or equivalent executive in any jurisdiction of a Portfolio Company, is insured under any other policy(ies) issued by the Company, its parent, a subsidiary or affiliate, then payment under such policy(ies) on account of a Claim also covered under this policy shall reduce, by the amount of the payment, the Company's Limit of Liability under this policy with respect to such Claim.

Presumptive Indemnification

If an Organisation is permitted or required by law to indemnify, or is not prevented by law from indemnifying, an Insured Person for Loss but fails or refuses, other than due to Financial Impairment, to so indemnify an Insured Person then the Company shall pay such Loss on behalf of such Insured Person subject to all the terms and conditions, including for the avoidance of doubt the exclusions, of this Coverage Section. In such event the applicable Deductible Amount set forth in Item 3 of the Schedule shall be paid by the Organisation to the

Company. No Deductible shall apply in the event of Financial Impairment. This section does not apply to Loss arising out of an Outside Directorship.

Reporting

The Insureds shall give to the Company written notice of any Claim as soon as practicable and, in any event, no later than the expiration of any applicable Extended Reporting Period, if granted.

If, during the Policy Period or any applicable Extended Reporting Period, if granted, an Insured becomes aware of circumstances which could give rise to a Claim and gives written notice of such circumstances to the Company as soon as practicable thereafter but before the expiration or termination of this Coverage Section, then any Claim subsequently arising from such circumstances shall be considered to have been made during the Policy Period or Extended Period in which the circumstances were first reported to the Company. With respect to any such subsequent Claim, no coverage under this policy shall apply to loss incurred prior to the date such subsequent Claim is actually made.

Each Insured shall give to the Company such information and co-operation as it may reasonably require, including but not limited to a description of the Claim or circumstances, the nature of the alleged Wrongful Act, the nature of the alleged or potential loss, the names of actual or potential claimants, and the manner in which the Insured first became aware of the Claim or circumstances.

Defence and Settlement

It shall be the duty of the Insured and not the duty of the Company to defend Claims.

Each Insured agrees not to settle, or convey any offer of settlement to any claimant with regard to, any Claim, incur any Defence Costs, Legal Representation Expenses, Prosecution and Reputation Protection Expenses or otherwise assume any contractual obligation or admit any liability with respect to any Claim without the Company's prior written consent. The Company shall not otherwise be liable for any Defence Costs, Legal Representation Expenses, Prosecution and Reputation Protection Expenses or any other element of Loss incurred, any obligation assumed or any admission made by any Insured without the Company's prior written consent. Provided the Insureds comply with this section, the Company shall not unreasonably withhold or delay any such consent.

With respect to any Claim the Company shall have the right and shall be given the opportunity to associate with each Insured, and shall be consulted in advance by the Insured, regarding the investigation, defence and settlement, including the negotiation of any settlement, of any such Claim.

Each Insured agrees to provide the Company with all information, assistance and co-operation which the Company reasonably requires including, without limitation, for the purposes of any investigation the Company makes, in its absolute discretion.

With respect to any Claim made against both an Insured Person and an Organisation, such Insured Persons and the Organisation shall have the option to retain separate defence counsel, subject to obtaining the Company's prior written consent.

Each Insured agrees that such Insured will do nothing that may prejudice the Company's position or its potential or actual rights of recovery.

Allocation

Where a Claim:

- (a) includes both matters covered and matters that are not covered by this Coverage Section; or
- (b) is made against a person or organisation other than an Insured Person

the Company and the Insured shall allocate any amounts incurred by or on behalf of an Insured Person and, where applicable, any amounts incurred by or on behalf of a person or organisation other than an Insured Person:

- (i) based upon the relative legal and financial exposures of an Insured Person and, where applicable, a person or organisation other than an Insured Person to matters covered and matters not covered by this Coverage Section; and
- (ii) in the case of a settlement in such Claim, based also on the relative benefits to an Insured Person

If the Company and the Insured cannot agree on an allocation of amounts incurred by an Insured:

- a) any allocation or advancement of Defence Costs, Legal Representation Expenses or Prosecution and Reputation Protection Costs shall not apply to or create any presumption with respect to the allocation of other Loss.

Advancement of Costs and Expenses

Any advancement of Defence Costs, Legal Representation Expenses or Prosecution and Reputation Protection Costs shall be repaid to the Company by the Insureds, severally according to their respective interests, if and to the extent it is determined that such Defence Costs, Legal Representation Expenses, or Prosecution and Reputation Protection Costs are not insured under this policy.

Priority of Payments

In the event payment of Loss which is concurrently due under any insuring clause which provides coverage where an Organisation has not granted indemnification and under one or more of the other insuring clauses of this Coverage Section, the Company shall:

- (a) first pay such Loss where an Organisation has not granted indemnification to an Insured Person; then
- (b) to the extent of any remaining amount of the Limit of Liability, the Company shall pay such Loss in the order stipulated by the Organisation. Except as otherwise provided in this section, the Company may pay Loss as it becomes due under this Coverage Section without regard to the potential for other future payment obligations under this Coverage Section.

The Company shall not be entitled, under any circumstances, to avoid or rescind this policy with respect to any Insured or exercise any rights against any Insured

for any misrepresentation in the Proposal or for any non-disclosure (whether such misrepresentation is innocent, negligent, fraudulent or otherwise). Notwithstanding the above, the Company's maximum Limit of liability for all Loss for which a sub-limit is specified for each Loss and/or each Policy Period in the Schedule or any endorsement attached hereto shall be that specified sub-limit of liability. Sub-limits are part of, and not in addition to the Limits of Liability set forth in Items 2(a) and 2(b) of the Schedule.

Reporting

The Insureds shall give to the Company written notice of any Claim as soon as practicable and, in any event, no later than the expiration of any applicable Extended Reporting Period, if granted.

If, during the Policy Period or any applicable Extended Reporting Period, if granted, an Insured becomes aware of circumstances which could give rise to a Claim and gives written notice of such circumstances to the Company as soon as practicable thereafter but before the expiration or termination of this Coverage Section, then any Claim subsequently arising from such circumstances shall be considered to have been made during the Policy Period or Extended Period in which the circumstances were first reported to the Company.

Each Insured shall give to the Company such information and co-operation as it may reasonably require, including but not limited to a description of the Claim or circumstances, the nature of the alleged Wrongful Act, the nature of the alleged or potential loss, the names of actual or potential claimants, and the manner in which the Insured first became aware of the Claim or circumstances.

Defence and Settlement

It shall be the duty of the Insured and not the duty of the Company to defend Claims

Each Insured agrees not to settle, or convey any offer of settlement to any claimant with regard to, any Claim, incur any Defence Costs, Legal Representation Expenses, Crisis Expenses or otherwise assume any contractual obligation or admit any liability with respect to any Claim without the Company's prior written consent. The Company shall not otherwise be liable for any Defence Costs, Legal Representation Expenses, Crisis Expenses or any other element of Loss incurred, any obligation assumed or any admission made by any Insured without the Company's prior written consent. Provided the Insureds comply with this section, the Company shall not unreasonably withhold or delay any such consent.

With respect to any Claim the Company shall have the right and shall be given the opportunity to associate with each Insured, and shall be consulted in advance by the Insured, regarding the investigation, defence and settlement, including the negotiation of any settlement, of any such Claim.

Each Insured agrees to provide the Company with all information, assistance and co-operation which the Company reasonably requires including, without limitation, for the purposes of any investigation the Company makes, in its absolute discretion.

Each Insured agrees that such Insured will do nothing that may prejudice the Company's position or its potential or actual rights of recovery.

Allocation

Where a Claim:

- (a) includes both matters covered and matters that are not covered by this Coverage Section; or
- (b) is made against a person or organisation other than an Insured; the Company and the Insured shall allocate any amounts incurred by or on behalf of an Insured:
- (i) based upon the relative legal and financial exposures of an Insured to matters covered and matters not covered by this Coverage Section; and
- (ii) in the case of a settlement in such Claim, based also on the relative benefits to an Insured.

The panel shall interpret this policy as an honourable engagement rather than as merely a legal obligation and shall make its decision considering the custom and the practice of the applicable insurance and reinsurance business as promptly as possible following the termination of the hearings. It is further expressly agreed and declared that if the Company shall disclaim liability in respect of any Claim and is not within 12 calendar months from the date of such disclaimer be made the subject matter of a suit or proceeding before a Court of law or any other forum, it shall for all purposes be deemed to have been abandoned and shall not thereafter be recoverable
