

EMPLOYEES COMPENSATION INSURANCE POLICY Sales Literature

In an increasingly global work environment, employee rights have rapidly moved forward. To protect organizations from the threat of expensive lawsuits and large compensation pay-outs, HDFC ERGO has the Employees' Compensation Insurance Policy (EC)

The employees' compensation insurance is the primary method by which an employer can demonstrate the ability to satisfy the obligations imposed by the employees' compensation statutes. It is compensation payable under a scheme set out in the Employees' Compensation Act of India, monitored by the Ministry of Labour

The policy covers statutory liability of an employer for the death of or bodily injuries or occupational diseases sustained by employee in the Insured's immediate service and arising out of and in the course of employment
