Insured Person's Own Assets

21. If, with regard to a **Kidnapping** or **Extortion**, the person or group perpetrating the **Kidnapping** or **Extortion** makes a demand for payment direct to an **Insured Person** rather than to an **Insured Organisation**, then, upon the **Principal Organization's** written request to the Company:

- (a) money or property surrendered, or intended to be surrendered, by or on behalf of that **Insured Person** as ransom in respect of that **Kidnapping** or **Extortion** shall be deemed to be money or property surrendered, or intended to be surrendered, by an **Insured Organisation**; and
- (b) **Expenses** incurred by or on behalf of that **Insured Person** and which are described in subparagraphs (i) to (viii), (x), (xi) or (xiv) to (xvi) of the definition of **Expenses** shall be deemed to be incurred by an **Insured Organisation**.

The Company's liability under this policy for money, property and **Expenses**:

- (a) which are deemed pursuant to this Section to be incurred, surrendered or intended to be surrendered by an **Insured Organisation**; and
- (b) which were incurred, surrendered or intended to be surrendered by or on behalf of an **Insured Person** other than an **Employee**,

shall be reduced by amounts paid on account of such money, property or **Expenses** under any other policy issued by HDFC ERGO General Insurance Company or any other subsidiary, affiliate or associate of The Chubb Corporation.

Changes in Exposure

22. If, during the **Policy Period**, an **Insured Organisation**:

- (a) acquires securities or voting rights in another entity or creates an entity which as a result of such acquisition or creation becomes a **Subsidiary**; or
- (b) acquires any entity by merger into or consolidation with that **Insured Organisation**, then that entity shall automatically become an **Insured Organisation** under this policy with effect from the date of such acquisition or creation but only with respect to **Kidnappings, Hijackings, Wrongful Detentions, Extortions, Cyber Extortions**, and **Political Threats** which commence after such acquisition or creation.

However, if such acquired or created entity has gross consolidated assets that increase the total consolidated assets of all the **Insured Organisations** together by more than 25% as recorded in the latest annual report and consolidated accounts of the **Principal Organisation**, the **Principal Organisation** shall give written notice of such acquisition or creation to the Company as soon as practicable and also such information as the Company may require. The Company shall have the right to amend the terms of this policy including charging an additional premium.

If a **Subsidiary** ceases to be a **Subsidiary** during the **Policy Period**, cover with respect to that **Subsidiary** and with respect to persons who by relationship to that **Subsidiary** or to any of its **Employees** are **Insured Persons** shall continue until termination of cover as provided in Section 29, but only with respect to **Kidnappings, Hijackings, Wrongful Detentions, Extortions, Cyber Extortions** and **Political Threats** which commence prior to that **Subsidiary** ceasing to be a **Subsidiary**.

- (c) for other property, the lesser of:

- (i) the price paid by an **Insured** for the property; and
- (ii) the cash value of the property at the time of its surrender or **Loss**;

- (d) for foreign currency, the Indian Rupees value of any foreign currency based on the cash rate of exchange for the purchase of Indian Rupees published by the Reserve Bank of India or, if it has ceased to be current, a currency conversion web site selected by the Company, on the day of the surrender or **Loss** of the foreign currency.

Subrogation

24. The Company shall be subrogated to the extent of any payment under this policy to each **Insured's** rights of recovery, and each **Insured** shall execute all papers required and shall do everything necessary to secure and preserve such rights and to enable the Company to bring proceedings in the name of that **Insured**.

Recoveries

25. Recoveries, whether effected by the Company or by an **Insured**, less the cost of recovery, shall be distributed as follows:

- (a) first, to that **Insured** for the amount of loss otherwise covered but in excess of the applicable Limits or Sub limits of Liability;
- (b) second, to the Company for the amount paid to that **Insured** as covered loss;

- (d) fourth, to that **Insured** for the amount of such loss not covered under this policy.

Recovery from reinsurance or indemnity of the Company shall not be deemed a recovery hereunder.

Other Insurance

26. If loss covered by this policy is insured under any other valid policy, then this policy shall cover such loss, subject to its terms, only to the extent that the amount of such loss is in excess of the amount of payment from such other insurance whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise, unless such other insurance is written only as specific excess insurance over the Limit of Liability provided in this policy for the Insuring Clause under which the loss is covered.

Authorisation Clause

27. The **Principal Organisation** hereby agrees to act on behalf of all **Insured's** with respect to the payment of premiums and the receiving of any return premiums that may become due under this policy, the negotiation, agreement to and acceptance of endorsements, and the giving or receiving of any notice provided for in this policy, and the **Insured's** agree that the **Principal Organisation** shall so act on their behalf.

IN THE EVENT OF A KIDNAPPING

HDFC ERGO / Chubb is pleased to provide this information in cooperation with The Ackerman Group, one of the world's preeminent security consulting firms in the field of corporate-related terrorism. Since 1978, The Ackerman Group has made itself immediately available, 24 hours a day, to HDFC ERGO / Chubb customers who have kidnap/ransom & extortion insurance coverage. If you have questions regarding The Ackerman Group's services, you may contact them directly at 001.305.865.0072.

Before a crisis...

Perhaps the most important step your company can take to react effectively to a kidnapping is to plan ahead, appoint the right people to a crisis management team, and make certain field and home office staff know how to contact a team member.

Plan ahead by making these preparations

- Establish a corporate crisis management team made up of three core people:
 - The ultimate decision maker, normally the CEO.
 - The coordinator, often the corporate security director, risk manager, or chief of international operations.
 - The general counsel.

The team might also include a finance officer (to raise the ransom), a personnel specialist (to oversee the care of the hostage's family), and a public relations specialist (to handle press inquiries). Since the first hours following a kidnapping are critical to successful resolution, early decisions should be made by key corporate decision makers in consultation with The Ackerman Group, not by a field manager or staff.

- Create a communications infrastructure so field managers know who is on the crisis management team and how to notify them the moment an emergency occurs. Stress that immediate notification of the crisis management team, even before notifying local law enforcement authorities, is necessary to ensure effective handling of the situation consistent with procedures established for these emergency situations.

The Initial Response to a Kidnapping**When a threat occurs...**

In general, neither the field manager nor the crisis management team should try to thwart the attempt alone, but should swiftly do the following.

The field manager should:

- Contact a crisis management team member (usually the coordinator) immediately upon learning of, or suspecting, a kidnapping.
- Give all the known details about the circumstances of the abduction, the medical condition of the hostage, and the content of any communications from the kidnappers.

The crisis management team should:

- Ask the field manager (or other caller) for the specifics about the abduction circumstances, hostage's medical condition, content of kidnappers' communications, and other useful information.
- Instruct the field manager (or other senior representative) not to talk to the press and not to report the incident to local law-enforcement authorities until the crisis management team gives the go-ahead. (This assumes local authorities have not already been notified.)
- Direct the field manager to prepare appropriate staff members to expect written or telephone communications from the kidnappers and to record phone calls if possible. Call recipients should merely listen to the demands and ask the kidnappers to call back. They should not attempt to negotiate.
- Tell the field manager to stand by for further instructions from the crisis management team. Emphasize no one should attempt to handle this emergency alone.
- Convene a meeting of the crisis management team and immediately contact The Ackerman Group (001.305.865.0072, day or night). When calling, identify the corporation as a HDFC ERGO / Chubb insured. The Ackerman representative will normally participate in the initial team meeting by speakerphone, and then spearhead the recovery effort. However, all significant decisions will be referred to the crisis management team.
