Rationale

Material event

On June 30, 2023, Housing Development Finance Corporation Limited (HDFC) announced the completion of its amalgamation with and into HDFC Bank Limited (HDFC Bank; [ICRA]AAA (Stable)/[ICRA]A1+) with effect from July 1, 2023. Moreover, with requisite regulatory approvals for increasing its stake above 50% in HDFC ERGO, HDFC acquired an additional 0.51% stake in HDFC ERGO from ERGO International AG, the other promoter of the company, thereby increasing its stake to 50.50% as on June 30, 2023. Pursuant to the amalgamation, HDFC ERGO became a subsidiary of HDFC Bank with effect from July 1, 2023.

Impact of the material event

ICRA's rating for HDFC ERGO derived support from its parentage in the form of HDFC, which was the majority stakeholder. Post July 1, 2023, HDFC ERGO is now a subsidiary of HDFC Bank. Given the strong credit profile of HDFC Bank, the change in parentage has no impact on HDFC ERGO's credit rating. ICRA expects support from HDFC Bank to be forthcoming if required.

Currently, HDFC Bank contributes ~9.5% to HDFC ERGO's gross direct premium income. With the bank now becoming the parent, closer alignment, in terms of distribution, is likely. Although HDFC Bank operates under an open architecture and does not have an exclusive agreement with HDFC ERGO, the company's share in the general insurance business distributed by the bank could improve further.

Please refer to the following link for the previous detailed rationale that captures the key rating drivers and their description and the liquidity position: [Click here](#). The rating sensitivities have been revised as follows.

Rating sensitivities

Positive factors – Not applicable

Negative factors – The rating or the outlook could be revised if there is a deterioration in the credit profile of HDFC Bank or a decline in the strategic importance of HDFC ERGO to HDFC Bank or in the expectation of support from the promoter. In addition, a decline in the company's solvency ratio below 1.70 times on a sustained basis could lead to a rating downgrade.
