5. Renewal Benefits:

5.1. Cumulative Bonus

- A 10% cumulative bonus will be applied on the Sum Insured for next policy year under the Policy after every CLAIM FREE Policy Year, provided that the Policy is renewed with Us and without a break. The maximum cumulative bonus shall not exceed 100% of the Sum Insured in any Policy Year.
- In relation to a Family Floater, the cumulative bonus so applied will only be available in respect of claims made by those Insured Persons who were Insured Persons in the claim free Policy Year and continue to be Insured Persons in the subsequent Policy Year.
- If a cumulative bonus has been applied and a claim is made, then in the subsequent Policy Year We will automatically decrease the cumulative bonus by 10% of the Sum Insured in that following Policy Year. There

will be no impact on the Inpatient Sum Insured, only the accrued cumulative bonus will be decreased.

- If the Insured Persons in the expiring policy are covered on individual basis and thus have accumulated the no claim bonus for each member in the expiring policy, and such expiring policy is renewed with Us on a Family Floater basis, then the no claim bonus to be carried forward for credit in the Policy would be the least no claim bonus amongst all the Insured Persons.
- Portability/migration benefit will be offered to the extent of sum of previous sum insured and accrued cumulative bonus (if opted for), portability/migration benefit shall not apply to any other additional increased sum insured.
- In policies with a two year Policy Period, the application of above guidelines of Cumulative Bonus shall be post completion of each policy year.

5.2. Stay Active

We will offer a discount at each renewal if the insured member achieves the average step count target on the mobile application provided by Us in the specified time interval (calculated from the policy risk start date) as per the grid below. In an individual policy, the average step count would be calculated per adult member and in a floater policy it would be an average of all adult members covered. Dependent children covered either in individual or floater plan will not be considered for calculation of average steps.

This discount will be accrued at defined time intervals as given in table below. The discount will be cumulated and offered as discount on the renewal premium.

In individual policies the discount percentage (%) would be applied on premium applicable per insured member (Dependent Children are not eligible for this stay active discount in an individual policy) and in a floater policy it would be applied on premium applicable on policy.

The discount grid would be as per the table below:
