Our Agreement

What You Are Covered For

It covers certain **Losses** that you may suffer and **Claims** that may be made against you by your clients, customers or other third parties.

Legal Contract

This policy is a legal contract between you, the **Insured**, and us, the **Insurers**. Please read it carefully to ensure that it meets your requirements and that you understand its terms and conditions.

Information you have given to Insurers

Insurers have relied on the information you have given them when deciding to accept this policy and in setting its terms and **Premium**. Consequently, you must take care when answering any questions by ensuring that all information provided is accurate and complete.

If **Insurers** establish that you deliberately or recklessly provided false or misleading information they have the right to treat this policy as if it never existed and decline all claims.

If **Insurers** establish that you carelessly provided false or misleading information, the policy and claim payments may be adversely affected. For example, **Insurers** may:

- treat the policy as if it had never existed and refuse to pay all claims and return the **Premium**. **Insurers** will only do this if they provided insurance cover which they would not otherwise have offered;
- amend the terms and cover of the policy. **Insurers'** amendments will be made in line with how they would have underwritten the policy had they had the correct information;
- reduce the amount payable on a claim in the proportion that the **Premium** bears to the premium that they would have charged; or
- cancel the policy.

In such cases the **Insurers** will advise you in writing of their actions.

Claims

In the event of any **Claim** being made against you, **Loss** you have incurred, or you becoming aware of any circumstance which is likely to give rise to a **Claim** being made against you, or **Loss** which you may incur, which may result in a payment being made under this policy, please ensure that you read and comply with the sections entitled claims conditions and

general conditions as a failure to do so may result in your ability to claim under this policy being compromised.
