- e) If at the time of the reinstatement of the sum representing 80 pct. of the cost which would have been incurred in the reinstatement if the whole property covered by such item had been destroyed exceeds the sum insured thereon at the commencement of any destruction or damage then the Insured shall be considered as being his own Insurer for the difference between the sum insured and the sum representing 80 pct. of the cost of reinstatement of the whole of the property and shall bear a rateable proportion of the loss accordingly.

If the actual premium be greater than the provisional Premium the Insured shall pay the difference; if it be less, the difference shall be repaid to the Insured, but such repayment shall not exceed one-half of the provisional Premium.
- iv. The indemnity provided for stocks shall be based upon the replacement price at the time and place of loss or if there is no such price, at a price determined from a recognised price at a point through which stocks would normally be sold/adjusted to reflect the cost of transporting such stocks to such point.
