

Electronic Equipment Insurance - Prospectus

INTRODUCTION

This Policy is designed for covering electronic equipment like Computers, Medical, Biomedical Equipment, Audio/Visual Equipment etc on All Risks Basis. The policy also considers coverage to related Systems Software on Computer / EDP systems.

WHAT IS COVERED

The Policy is divided into three sections - Material Damage (Equipment), External Data Media & Increased cost of working.

- Section I – Material Damage:** The policy pays for physical loss or damage caused to the equipment covered under the policy, necessitating repair or replacement, due to any cause, other than those specifically excluded under the Policy.
- Section II – External Data Media:** If the external data media and the information stored in such media, which can be directly processed in EDP systems suffers any material damage due to the peril covered under Section 1 of this Policy, the Company will indemnify the Insured for such loss or damage. This cover is applicable while the insured data media are kept on the Premises. Coverage against restoration of data under this Section will be granted only if backup system is available.
- Section III – Increased Cost of Working:** The Company will indemnify the Insured for all additional costs which the Insured incurs to ensure continued data processing on substitute equipment if such costs arise as an unavoidable consequence of an indemnifiable loss or damage to property insured under the Section I of this Policy.

SUM INSURED

Section I - The Sum Insured shall be equal to its replacement cost including freight, dues and customs duties, if any and erection costs. The Sum Insured of the equipment insured under this section shall include the value of 'System Software'.

Section II - The Sum Insured shall be the amount required for restoring the insured external data media by replacing lost or damaged data media by new material and reproducing lost information

Section III - The 'indemnity limit per hour' and 'total sum insured' stated in the schedule shall be declared by the Insured. The total Sum Insured shall represent the aggregate limit of indemnity payable for all events occurring during the period of insurance. The Company will also reimburse the Insured for personnel expenses and costs for transportation of materials following an event giving rise to a claim under this Section of the Policy. As from the date of an indemnifiable occurrence the Sum Insured shall be reduced for the remaining period of insurance by an amount of indemnity paid unless reinstated by payment of an additional premium prescribed by the Company.

EXTENSIONS TO BASE POLICY

The Electronic Equipment Insurance policy issued by HDFC ERGO GENERAL INSURANCE COMPANY can be extended to cover the following add ons at the option of the insured. The proposal form may be filled up by the insured for opting these add ons. While some of the add ons can be covered by payment of additional premium, some of them seek to bring in more clarity or wider coverage without any additional premium.

- Omission to insured additions or extensions:** To cover equipment defined in schedule which the insure may acquire or for which they become responsible.
- Removal of Debris:** Cost necessarily incurred by insured to remove debris following a loss by insured perils.
- Professional fees:** To reimburse Architect, Surveyor, Consulting Engineer or other professional fee incurred by insured to reinstate the damaged equipment following a loss but for preparing claim.
- De contamination and clean up cost:** To reimburse cost of decontamination and/or clean up cost of insured property contaminated including but not limited to presence of pollution or hazardous material as a result of physical damage to the insured property.

- Modification cost/ Incompatibility Expense:** Covers modification cost to bring partly between replaced/repared equipment and undamaged equipment.
- Waiver of improvement/ Betterment clause for replacement of parts or equipment:** Covers cost of technological upgradation necessary to replace damaged parts of equipment with next higher version.
- Capital Addition:** Provides flexibility to the insured to cover capital additions automatically during the currency of the policy which otherwise would not be covered in the unless a declaration is made to the insurer and additional premium is remitted beforehand.
- Un Repaired Damages:** Covers expenses and repair cost incurred by client for safe working of the equipment instead of replacement.
- Claim Preparation cost:** In respect of complex or large claims, the insurer may incur substantial cost for arranging documents in support of the claim. The add on seeks to provide relief to the clients to claim such costs from the insurer following a loss.
