GENERAL INSURANCE

HDFC ERGO's Venture Capital Asset Protection (VCAP) policy offers your venture capital clients a comprehensive insurance product to assist in transferring and mitigating some of their personal and business risk from these types of exposures.

HDFC ERGO's Venture Capital Asset Protection (VCAP) policy is a combined product offering:

- Management Liability
- Management Indemnification
- Outside Directorship Liability
- Professional Services Liability (errors & omissions) Insurance

All in one policy to help eliminate any gaps in your client's insurance program.

With our combined VCAP policy, venture capital firms receive true value and one of the broadest policies in the industry. Our policies are designed to keep pace with the changing legal exposures that your clients face. As a result of our experience, we offer you a highly specialized risk transfer solution for your client. The Venture Capital Asset Protection Policy is highly effective at addressing the needs of many types of private investment firms, including:

- Venture Capital Funds
- Private Equity Funds
- Fund of Funds
- Mezzanine Debt Funds
- Distressed Debt Funds
- Small Business Investment Companies
- Corporate-Sponsored Funds
- Government-Sponsored Funds
