

### E@SECURE INSURANCE

The word INTERNET has turned our existence upside down. It has changed the way we work, socialize, create and share information and organize the flow of people, ideas and things around the globe. Today, we spend much of our time on the internet surfing, shopping, sharing and even meeting new people. There is no doubt that internet has given us convenience and improves our life enormously, but at the same time it has also proven as a dangerous place which exposes us to the risks that subsist in cyber space, such as the risk of damage to your reputation, fraudulent transactions with your credit cards, debit cards, theft of your personal information, etc

According to one survey, the increasing usage of internet service has also lead to a jump in cyber crimes. In 2014, 9,622 cases of cyber crimes were committed under the IT Act in India, representing a 69 percent growth from the previous year making it clear that Indian internet users need to take precautions for the future. To ensure comprehensive protection for activities conducted on the internet without disrupting your modern lifestyle or the convenience you have been accustomed to, **HDFC ERGO** has come up with a new product titled “**e@Secure Insurance**”.

**E@Secure Insurance** by **HDFC ERGO** is a product designed to provide protection to individual customers in the event of online breach (arising directly from the use of internet) by third parties resulting due to covered risk. Subject to charge of an additional premium, the coverage under this policy can also extend to include families of the insured and covers restoration cost of digital asset.

#### RISK COVERED FOR YOU
